

## PA NATIVE SPECIES DAY MAY 16

### SECOND ANNUAL

### Native Species Art Contest for Charlestown's Children

Sponsored by the Charlestown Township Environmental Advisory Committee

Show off your art talent and knowledge of PA's Native Species. Draw, Paint or Color your way into spring and celebrate Charlestown's Native Species Day.

#### Event Rules

The art contest is open to all children of residents of Charlestown Township 14 years of age or younger as of May 16<sup>th</sup>. The art can be of any media and any size up to 8 ½" X 11". The subject matter must be of a native species: mammal, bird, insect, amphibian, fish, trees, flowers, reptiles. **Back of artwork must include:**

Name of the native species, name of the artist, teachers name, grade, and school name.

---

#### Submissions are due by May 9<sup>th</sup> to:

1. Students at the Charlestown Elementary School and the Charlestown Playhouse may submit art for pick up at their school by an EAC volunteer on May 10<sup>th</sup>, 3:30p.m.
2. Art can also be submitted to the Charlestown Township Office – 11 General Warren Blvd., Ste. A, Malvern, PA
3. Or, Email to [EAC@Charlestown.pa.us](mailto:EAC@Charlestown.pa.us). Subject line: *Native Species Day Contest*

---

#### Winning Entries

Art will be displayed on May 16<sup>th</sup> at Brightside Farm, 10-6:00p.m. and shared on Charlestown's social media platforms, and with participating schools.

Winners will receive a custom birdhouse; pick up is May 16<sup>th</sup> at Brightside Farm.

Visit the EAC table at Brightside Farm to see the meadow and grassland restoration that benefits Pennsylvania meadow birds and other wildlife. Learn about Bird Town.

Take a native species quiz, talk to us about our local environment, sign up to volunteer for various community programs.

**All students entering the contest will receive PA native wildflower seed packet**

**Please celebrate all of the native beauty that surrounds us!**
